### **About Fibra Nova**

Fibra Nova is a real estate investment trust (FIBRA) that began operations on August 3, 2017, identified with No. F/2870. FIBRA Nova's strategy is based mainly on the acquisition, lease, operation and development of properties destined to sectors with economic dynamism and that capture the benefit of the demographic bonus such as the industrial, retail and educational sector.

In order to maintain FIBRA status, articles 187 and 188 of the Income Tax Law establish that FIBRAS such as FIBRA Nova are not subject to the payment of income tax in Mexico and must distribute at least 95% of their net tax result annually to the holders of their CBFIs and invest at least 70% of their assets in real estate for lease, among other requirements. FIBRA Nova is managed internally by Administradora FIBRA Norte, S.C., supported by a solid corporate governance and a competitive structure aligned with the interests of investors, making FIBRA Nova an unprecedented investment vehicle for the FIBRAS market in Mexico.
